FIND ME!

There is a great commo on at our kindergarten today! We will play hide-and-seek – a game everybody loves. But what is it? It's not the children who will be hiding – it's their toys and other items. Will you be able to find them all and recognise their shapes? "One, two, three, come and find me," yells the impatient balloon.

EGO

Check how well you know your friends. Draw one of over 400 original questions and read it out loud. Without telling or showing it to anyone, mark the right answer with a token. The remaining players will then take a guess and try to discover your answer. Depending on how confident they are, they can bet as many tokens as they like. The player who figures out other players' answers best is the winner.

**EGO GOLD**

In EGO Gold, players think together about various aspects of everyday life: popcorn or cotton candy? Who among us was the most spoiled as a child? How much do I miss the „good old times”? During the game, you will learn a lot of new things about yourself, sometimes really surprising. The rules of this party game for the whole family are child's play. Pick one of the 660 intriguing questions and read it aloud. Secretly answer them by choosing one of the given possibilities. Now the other players have to guess your choice. The winner is whoever scores the most points.

FOOD PRANK

Do you want to play an innocent prank on a friend and get him to eat a piece of lemon? Or maybe you want to see the look on their face when they're eating the broccoli they hate or fish-flavoured jellies? An innocent prank or a malicious, disgusting joke with food – in this game everything is possible, and everything depends on you! If you want to win, you have to guess what's inside your pot. Put the contents in your mouth and... What do you feel? Is it sweet? Is it salty? Is it disgusting? If you'll guess what was inside your pot – you score a point!
